

Joseph L. Leauanae

CPA, CITP, CFF, CFE, ABV, ASA

Joseph L. Leauanae has been providing litigation support and financial valuation services for over 20 years. His engagements in these areas involve the application of forensic or investigative accounting techniques, the valuation of businesses and intangible assets, and the quantification of economic damages.

The following is a summary of Mr. Leauanae's forensic accounting, business valuation, and economic damage calculation experience.

Forensic/Investigative Accounting

Mr. Leauanae's forensic accounting experience includes the investigation and/or reconstruction of accounting records in cases relating to marital dissolution, embezzlement, fraud detection and documentation, theft, intellectual property, contract disputes, shareholder disputes, wrongful termination/death, personal injury, and business interruption. Sample experience includes the following:

- Performing investigative accounting relative to the valuation and tracing of marital/community assets in divorce cases.
- Performing investigative accounting in commercial litigation matters.
- Reconstructing accounting records as a result of theft, floods, fire, and other natural disasters.
- Performing investigative accounting analyses relative to criminal fraud trials and claims.

Financial Valuation

Mr. Leauanae's financial valuation experience includes valuing businesses and intellectual property in a number of diverse industries and in both cooperative and contentious appraisal environments. Sample experience includes the following:

-
- Performing valuations for matters involving marital dissolution, including assessing separate vs. community property allocations.
 - Consulting on synergy considerations in business combination transactions.
 - Performing valuations for shareholder disputes and buy-outs.
 - Performing valuations to assist with gift and estate tax planning.

Economic Damage Calculation

Mr. Leauanae's economic damage calculation experience includes the analysis and preparation of economic damage calculations for matters involving contract disputes, business interruption, and intellectual property infringement. He has also analyzed and quantified economic losses in personal injury, wrongful death, and wrongful termination matters. Sample experience includes the following:

- Analyzing plaintiff/defendant claims for lost profits, and the diminution of business value, in commercial litigation matters.
- Computing economic damages relative to intellectual property infringement.

Educational Qualifications

Mr. Leauanae earned a Bachelor of Science degree in Accounting and a Master of Business Administration degree, with an emphasis in Management of Technology, from the University of Utah.
