

Jennifer A. Allen

CPA, CFF, CFE, ABV

Jennifer A. Allen provides litigation support and financial valuation services. Her engagements in these areas involve the application of forensic or investigative accounting techniques, the valuation of businesses, and the quantification of economic damages.

The following is a summary of Ms. Allen's forensic accounting, business valuation, and economic damage calculation experience.

Forensic/Investigative Accounting

Ms. Allen's forensic accounting experience includes the investigation and/or reconstruction of accounting records in cases relating to the valuation and tracing of marital assets for marital dissolution purposes, embezzlement, fraud detection and documentation, theft, contract disputes, shareholder disputes, wrongful termination, and business interruption.

Business Valuation

Ms. Allen's business valuation experience includes cases related to contract disputes, shareholder disputes, gift and estate tax purposes, closely held companies for marital dissolutions purposes, fraud cases to help establish intent to defraud or in defending against allegations of intent to defraud and other litigation and non-litigation situations. Ms. Allen is experienced with conducting appraisals in both cooperative and contentious appraisal environments.

Economic Loss Calculation

Ms. Allen's economic damage calculation experience includes the analysis and preparation of damage calculations for cases involving wrongful termination, contract disputes, intellectual property infringement, and business interruption. Ms. Allen has assisted plaintiff and defendant attorneys with analyses of numerous commercial litigation claims, including the determination of lost profits and diminution in business value.

Educational Qualifications

Ms. Allen earned a Bachelor of Science degree in Business Administration, with an emphasis in Accounting, and a Master of Science degree in Accounting, both from the University of Nevada, Las Vegas.
